MEMORANDUM

TO: Donald Norseth
FROM: Robert F. Guy
SUBJECT: Distribution - West Fork Beaver Creek
DATE: June 2, 1967

Listed below is a total of the acreage irrigated in Utah by various individuals from the following streams:

Fallon Creek

Lyman Grazing Assn. - 35.12 acres. The maps show this land as has been irrigated. However, since there is no water users claim it appears that no right was acquired.

West Fork of Beaver Creek

1. Lyman Grazing Assn.
 - (1) 13.93 acres shown on maps, but no water users claim - apparently no right.
 - (2) 1258.6 acres.
2. Harry D. Buckley - 673.26 acres.
3. Velma Bullock O'Neil - 191.08 acres.
